ELO - electronic Notification Service (ELO-eNS)

Welcome to England Lottery Organization, where real people grab life changing cash every day. We have equally maintained our unbeatable stand in the industry as it concerns the pay out of winnings and other entitlements to our winners.

As a positive measure to assist the general public (individuals and companies) during this global economic crunch, we rolled out over £100,000,000.00 GBP (One Hundred Million Great Britain Pounds) for disbursement and on the other hand establish our poverty alleviation program/agencies all over the world. Winners for these draws were randomly picked and drawn from a wide range of mobile phone and web/internet users all over the world. The final selections for these prize disbursements were made through a computer drawn ballot system attaching personalized email addresses, phone numbers and zip/postal codes to ticket numbers.

As luck and destiny would have it, your email address as indicated was drawn and attached to ticket number 546892305 and sequence number UK-ELO-78/1-47/2010 and drew these lucky numbers 02-09-14-20-23-32 (12) which subsequently won you £250,000.00 GBP (Two Hundred and Fifty Thousand Great Britain Pounds) as one of the 150 winners in our just concluded monthly draw which was conducted in Central London, on January 8, 2011. You are therefore entitled to a total payout of £250,000.00 GBP (Two Hundred and fifty Thousand Great Britain Pounds) in the web/internet user's category.

These draws are commemorative and as such special, so please be informed by this notification to make contact with our claims department with the details below who shall by duty guide you through the process to facilitate the release of your winnings/entitlements accordingly.
