

CALL FOR PAPERS

ICTIC 2014

The 3rd year of Information and Communication Technologies - International Conference (ICTIC)
March, 24. – 28. 2014

Full Paper Submission Deadline: February 21., 2014

ICTIC 2014 is an International Virtual Conference organized by the Faculty of Management Science and Informatics at the **University of Žilina** in Slovakia. The conference will be held online as virtual conference at the address www.ictic.sk. This conference introduces the 3rd edition already and so it continues at previous successful years.

Essential Information

- All submitted papers will be peer reviewed.
- All accepted papers will be published in the conference proceedings with ISSN and ISBN.
- Published papers will be included into Open Access Online conference Archive.
- Selected papers will be proposed with possibility to be published in International Scientific Journals.

Conference proceedings of ICTIC 2014 will be sent for evaluation into major indexing and abstracting databases.

Scope of the Conference

The aim of this conference is to provide a worldwide forum, where the international participants can share their research knowledge and ideas on the recent and latest research and map out the directions for future researchers and collaborations. Researchers and graduate students are welcomed to participate in the conference to exchange research findings in the frontier areas of ICT for Business, Management, Informatics, Computer science and so on.

This conference is the member of the-science.com community, which supports healthy research activities. For more information visit: www.the-science.com. If you are interested in receiving more information subscribe there.
