

Attn Sir

The ATM Card is interlinked which facilitate withdrawal in any location of ATM Machine Cash point in any part of the world. The maximum you can withdraw a day is \$2,000

Having not heard from you, I package the ATM CARD and dispatched it with Diplomatic Courier speed post service in Johannesburg South Africa as I traveled out of the country for a short Course. I will be out till end of first financial quarter of the year 2017.You are advised to contact the Diplomatic Courier speed post Security Company to know when they will deliver your package to you because of the expiring date.

For your information, I have paid for the Clearance Fee of the ATM CARD showing that the money credited in the ATM is not related to drug or Terrorist fund. The only money you will pay to the Courier Company to deliver your ATM CARD direct to your postal Address is (\$250) only representing safe Keeping service Fees.
